

**SUBJECT: Compensation Limitations, Academic and Nonclassified Staff**

---

1 Fiscal Year Appointees

2 Total Compensation from all LSU sources between July 1 and June 30, inclusive, shall not be  
3 allowed to exceed regular fiscal year compensation x 1.30.

4  
5 Academic Year Appointees

6 Total compensation from all LSU sources during the period from any July 1 to the following June  
7 30 shall not be allowed to exceed: (academic year salary + 2/9 academic year salary) x 1.30.

8  
9 This includes, but is not limited to, all income from base salary, summer appointments, additional  
10 compensation, extramural teaching, grading of correspondence courses, coordination of LSU  
11 associated events, etc. It includes all income covered on any check issued by Louisiana State  
12 University for any compensation purposes.

13  
14 The compensation limit in no way minimizes the need to justify any compensation on a  
15 case-by-case basis. The need for allowing additional compensation in accordance with the  
16 above calculations will always be evaluated in view of the advantages to Louisiana State  
17 University.
